Admissions Policy

1 Introduction:

- 1.1 The Consortium Multi-Academy Trust (CMAT) operates a joint admissions policy, across all CMAT schools in Suffolk and Norfolk.
- 1.2 We accept pupils and students of all abilities, but no pupil or student will be admitted if, in the school's opinion, such admittance would prejudice the provision of efficient education or the efficient use of resources. We participate in the Local Authority co-ordinated scheme and all deadlines within the Local Authority scheme should be adhered to by applicants.
- 1.3 Parents should note that there is no automatic right to a place at the local school. It is essential that application forms are completed and returned by the deadline date. If you make an application for a school which is not your local school and, subsequently, are not allocated a place, there is no guarantee that a place will be available for your child at the local school.

2 Procedures for admissions:

- 2.1 The Local Authorities will coordinate all normal year of entry admissions on behalf of all CMAT schools and the Local Authority will communicate all normal year of entry admission decisions to parents.
- 2.2 The agreed Published Admissions Number (PAN) for the normal year of entry is currently:
 - Glebeland Primary School: 15
 - Mendham Primary School: 7
 - Middleton Primary School: 10
 - St Edmund's Primary School, Hoxne: 12
 - Yoxford and Peasenhall School: 10
- 2.3 Procedures for applying to all CMAT Schools are explained in the publication 'Admissions to Schools'. Parents and carers should make themselves familiar with this information and take particular note of the definitions provided, dates and deadlines, which apply to CMAT schools. For Suffolk schools further information can be found at:
www.suffolk.gov.uk/admissions
For Norfolk schools further information can be found at:
www.norfolk.gov.uk/education-and-learning/schools/school-admissions

Please note: a separate application must be made for any transfer from nursery to primary school.
- 2.4 The *Consortium* Multi Academy Trust provides for the admission of children, full-time, in the September following their fourth birthday. We strongly believe that this is in the best interest of every child. However, parents can request that the date their child is admitted to primary school is deferred until later in the school year or until the term in which the child reaches compulsory school age. Parents can also request that their child takes up the place part-time until the child reaches compulsory school age.
- 2.5 Our schools are experienced in educating and caring for children with different abilities and social and emotional needs and will be able to provide a suitable education. It is expected, therefore, that children will normally be educated within their chronological year group.

2.6 Applications for a place outside the chronological year group, where a parent wishes to make an application for a pupil of primary school age to be admitted to a school earlier or later than normal, to stay longer with a younger year group or to be taught ahead will be considered carefully and the decision will be made on the basis of the circumstances of each case and evidence provided. This may apply when a parent wishes to delay their summer born (April to August) child entry to full-time education in the reception year group until the following school year. Requests will be considered with the evidence provided. Parents or carers should make a request to the school(s) in writing. This will need to include, where relevant, any supporting evidence. The Local Governing Body will make a decision on the request, taking into account the views of the Academy Head. The school will write to the parent or carer with the outcome including the reasons for the decision.

If the request is refused, details of how to complain to the school will be given. A CAF1 application form must be sent to the Local Authority, along with the decision letter(s) from the school and other relevant evidence, by the national closing dates. Please note that even if the request is agreed, there is no guarantee there will be a place available.

2.7 Application Forms and Deadlines, applications for the normal year of entry should be made using the Suffolk and Norfolk normal year of entry application form (CAF 1), which is available on the school website. Parent/carers can also apply online. Completed forms should be sent directly to the Local Authority.

The annual deadlines for submitting application forms are the 15 January for transfer to the Foundation Stage.

2.8 Further information on the Schools Admissions Code can be found by following this link: <https://www.gov.uk/government/publications/school-admissions-code--2>

3. Details and definitions for admissions:

3.1 Priority Admissions Order:

- All children whose statement of special educational needs (SEN)/Education, Health and Care (EHC) plan names the school must be admitted.
- All children who live within the designated catchment area for each school site.
- Sibling of a pupil on roll at a CMAT school. By sibling we mean:
 - (a) Children living at the same address who have one or both natural parents in common
 - (b) Children living at the same address who are related by a parent's marriage.
 - (c) Children who are living at the same address whose parents are living as partners at this address. We do not include 'cousins' within our definition of sibling.
- Staff Children In accordance with the new admissions code and concordant government legislation, the children of staff members employed for 2 years or more, or who have been employed to fill a skill shortage will also form part of the priority admission group.

3.2 Admissions Oversubscriptions Criteria, if the number of applications is greater than the PAN of each school, we will use our admissions oversubscription criteria to decide who gets a place. The following details the order of priority for places in the case of oversubscription:

- Looked after children (children in care) and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after);

- Children of staff employed by the school in the following circumstances:
 - (a) Where the member of staff has been employed at the school for two or more years at the time at which application for admission to the school is made, or
 - (b) The member of staff is recruited to the school to fill a vacant post for which there is a demonstrable skill shortage;
- Children with a brother or sister (sibling) attending one of the schools in the Academy Trust at the time of application, with a reasonable expectation they will be attending at the start of the new school year. Priority will be given, where necessary, to applications where there is the smallest age gap between siblings. If you have more than one child in the Academy Trust, please name the youngest one;
- Children who do not have a brother or sister (sibling) attending one of the schools in the Academy Trust. Applications in this category will be ranked using the distance criteria described in the tiebreaker (below).

4. Tie-Breaker

4.1 In the event of oversubscription, having applied the criteria outlined above, priority will be determined by the distance of the child's home from the school they have applied to. This will be done by measuring the distance by a straight line ('as the crow flies').

All straight line distances are calculated electronically by using data provided jointly by the Post Office and Ordnance Survey. The data plots the co-ordinates of each property and provides the address-point between which straight line distance is measured and reported to three decimal places. Where there is more than one home within a single building (for example apartments) we will measure to a single point within that building irrespective of where those homes are located. If after the distance tie-breaker, with two or more applications ranked at the same distance, there are more applications than places, a further tie-breaker of Random Allocation will be used for the applications from this group. Lots will be drawn. This process will be independently verified.

4.2 Home Address, as part of the tie-breaker process, proof of residence, such as a lease agreement, may be required by the co-ordinated scheme. The school will check allegations of false addresses or other false information given on the CAF1/ADM1 and will withdraw places if the details are found to be deliberately false or misleading. Where a child lives with separated parents who have shared responsibility, each for part of the week, the address at which the child is ordinarily resident will be considered to be the address that the child lives at for most of the week (excluding weekends and school holidays). Both parents must provide evidence in writing to confirm the child's living arrangements at the time of the application.

4.3 Multiple Births; The *Consortium* Multi Academy Trust's policy is not to separate multiple births. If the final place available at a school is offered to a twin, triplet or other multiple birth and the remaining sibling/s would ordinarily be refused, the academy trust will offer places to the remaining sibling/s.

4.4 Guardianships; The *Consortium* Multi Academy Trust reserves the right to carry out necessary checks as to the legal guardianship of an adult making an application for admission for a child whether as an in-year admission or as part of the nursery intake. It is recognised that this can relate to safeguarding issues and is therefore of the highest priority.

5. Waiting Lists:

5.1 If you apply for a school place in the normal year of entry and one (or more) of your preferences is refused, your child's name will automatically be placed on a waiting list for these schools. Names are placed on the waiting list in the priority order set out in our admissions oversubscription criteria.

- 5.2 The order of children does not remain static - as circumstances change a child's place on the waiting list can go up or down, for example due to withdrawals or additional applications. If you change your address while your child is on a waiting list you must let us know. Please be aware that this may change your child's position on the waiting list. Written evidence of this will be required.
- 5.3 Having your child's name on a waiting list will not affect your right to appeal for any of the schools for which you have been refused a place.
- 5.4 Late applicants will be added to any waiting lists in oversubscription priority order if their parental preferences cannot be met.
- 5.5 If a place becomes available, we will offer it to a child on the waiting list for that school in priority order. We do not offer places on the basis of the date on which names were placed on the list.
- 5.6 The waiting lists will cease to operate at the end of the first full week of the spring term. For details of how to make an in-year application, please see the section on this below.

6. In-Year admissions applications:

- 6.1 All in-year admissions are processed by the individual schools of The *Consortium* Multi Academy Trust. You should apply using the form (available on school websites) and submit this directly to the relevant school.
- 6.2 Available places will be allocated in the order that the school receives applications. The school will then consider the application. If the year group has vacancies, i.e. has fewer students than the published PAN (pupil admission number); the application will normally be accepted. Our policy relating to admissions outside the chronological year group, remain the same for both in-year admissions and standard entry points.
- 6.3 Schools will respond within 10 working days of receiving the application form.

7. In Year Fair Access protocols:

- 7.1 The *Consortium* Multi Academy Trust, acknowledges its duties in respect to 'In Year Fair Access' further information can be found here:
<https://www.gov.uk/government/publications/fair-access-protocols-in-school-admissions>

8. Applications for a nursery place (where available):

- 8.1 It is important to note that attendance/enrolment in the nursery will be distinct and separate and have no relevance to attendance in the primary or other sections of the academy for which a separate application will have to be made in accordance with the Trust's admissions arrangements. No appeal will be allowed against the refusal of a place in the nursery.
- 8.2 Each school with a nursery provision will have a nursery application pack in force, detailing the split between funded and parental contributed hours, lunch provision, access to extended school provision (where available), routines and procedures for that site. Parents are encouraged to discuss their requirements with the Early Years Foundation Stage teacher.
- 8.3 Oversubscription – If the nursery is oversubscribed, priority will be given to children with Statements of Special Educational Needs or Education and Health Care Plans where the academy is named.

The remaining places will then be offered in accordance with the oversubscription criteria which applies to the Trust as a whole, except that sibling priority will only apply where a sibling already attends the nursery or primary school.

8.4 Waiting list – The nursery will keep a waiting list which will be used to fill casual vacancies occurring as a result of an enrolled child leaving during the academic year or withdrawing from a place that has been offered. The list will be compiled in accordance with the Admissions Code so that children will be ranked in line with the academy's oversubscription criteria.

9. Flexi-time schooling:

9.1 Parents who select this option do so after gaining the agreement of the school's local governing body. Such arrangements are wholly at the discretion of the local governing body (or any member of staff authorised by them to determine a parent's request for part time education).

9.2 The arrangements will be based on the following:

- The school and parents will agree on the days or half days on which the pupil attends school;
- The pupil will be encouraged and allowed to attend special events that take place on the agreed non-school days/times in consultation with the young person's class teacher;
- Parents will have the same access to records, reports and opportunities to meet with teachers as pupils who attend school on a full-time basis;
- The school will have access to all Local Authority reports regarding the pupil's education on non-school days;
- Parents will have the same statutory rights as parents of pupils who attend school on a full-time basis;
- The arrangements may be terminated by the parent during the academic year but, where a parent requests full-time attendance, this will begin at the start of a new term or half term only, except by agreement with the school;
- The school reserves the right to advise the parent about future arrangements if it believes that the current arrangements are detrimental to the pupil's progress.

10. Right to appeal:

10.1 When an applicant is unsuccessful, there is an automatic right of appeal to an Independent Appeal Panel. An appeal should be in writing to the Chief Executive Officer of the Trust, contact details are found on the CMAT website as follows: <https://consortiumacademy.co.uk/suffolk/primary/consortium-mat/site/pages/contactus> parents are required to identify the grounds on which their appeal is to be considered.

10.2 This information will be sent by the Local Authority for standard entry points and by the Trust for mid-year admissions.

10.3 In the event of a formal appeals process being required, the Education Appeal Service is independent of the admissions team and is managed by Christine Copplestone (telephone 01473 264218). They can arrange your appeals and ensure they meet legal requirements. This would include setting the hearing dates within the required timeframe, arranging venues, ensuring that hearings are convened with fully trained panel members and clerks and issuing paperwork before and after the appeal to parents.

10.4 The decision of the Appeals Panel is final and binding on both parties.

11. Complaints:

11.1 It is the intention of the Trust to treat all parents, carers and children with the upmost respect, applying the admissions policy fairly and clearly to all applicants. It is hoped that even where admission is refused that families will feel that they have been dealt with in an appropriate way. In the event of a complaint about the application of the process parents may do so via the EFA (Education Funding Agency) – details can be found at:
