

## **PE & Sport Premium Grant 2015/2016**

The PE and Sport Premium Grant is designed to help primary schools improve the quality of the PE and sport activities they offer to pupils. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that we should use the premium to:

- develop or add to the PE and sport activities that your school already offers;
- make improvements now that will benefit pupils joining the school in future years;
- hire qualified sports coaches to work with teachers;
- provide existing staff with training or resources to help them teach PE and sport more effectively;
- introduce new sports or activities and encourage more pupils to take up sport;
- support and involve the least active children by running or extending school sports clubs;
- sport competitions;
- increase pupils' participation in school games;
- run sports activities with other schools;

In recent years, The Kingfisher Schools Federation has invested in the development of sports activities for our pupils and training of teachers. We have used the PE & Sport Premium Grant to provide a wide range of curriculum sport, including tennis.

The P.E. & Sport Premium Grant has also been used to transport our pupils to numerous Sports Tournaments in the locality, such as a Tennis and Netball Tournament at St. Felix School, Indoor Athletics at Water Lane Leisure Centre, a Swimming Gala at Water Lane Leisure Centre, a Football & Cricket Tournament at Ringsfield, as well as Kwik Cricket and Unihoc Tournaments at Sir John Leman High School.

Southwold Primary School and Barnby & North Cove Primary School also collaborate in yearly Sports Days, as well as having hosted a joint Netball & Football Tournament last summer.

Both schools have also been able to access external sport activities such as The Soft Play Kingdom at Lowestoft, The Waveney Gymnastic Club at Lowestoft and the Trowse Dry Ski Slope in Norwich.

We have also utilised the P.E. & Sport Premium Grant to purchase tennis equipment, a range of sport balls, a Traversing Wall at Southwold Primary School, a Fitness Trail and Tyre Park at Barnby & North Cove Primary School.

The P.E. & Sport Premium Grant has also been used to invest funds in the development and training of staff to raise the standards and spectrum of P.E. lessons in school.

## Southwold

An overview of the areas where we are intending to utilise the P.E. & Sport Premium Grant, at Southwold Primary School in the current 2015/2016 academic year, as follows:-
