KS2 maths workshop

Don't Forget

Tuesday 30th October- 9:15

E-Safety workshop at Glebeland for parents of children in KS2.

Bits and Pieces

Achievement's Board

We are always pleased to hear about the achievements of the children at Barnby outside of school. To celebrate this further we are hoping to put up an achievements display in the hall to share with everyone. If your child would like to share their achievements please send in photos or certificates so these can be celebrated fully.

End of the school day

Please make sure parents and carers leave the school promptly at the end of the school day. The playground is used for after school clubs and for safeguarding reasons the children are not able to go outside until all parents and carers have left the school site. Thanks for your co-operation.

This Week's News

Mile Run

The mile run has been a huge success this week with children and staff taking part. It is a non-competitive activity after break but we encourage each child to keep a track of their progress. Each child will need a pair of trainers in school to change into. KS2 do the mile run every day and KS1 and Acorn class take part on Tuesdays, Wednesdays and Thursdays.

Languages Day

We are pleased to announce that Glebeland community Primary School have received the International Schools Award. This award recognises a school's international work and a curriculum enriched with international studies. On the 26th September Glebeland Primary School will be inviting all the children from Barnby Primary School to celebrate European Day of Languages. The children will travel to Glebeland by coach and will spend the day there. All children will need a packed lunch. Should you child require a school packed lunch please order these as soon as possible at the school office.

Growing successful futures!
