14th December

Music Concert- 11:00 – 11:30 – All parents welcome

A list of all the upcoming events will be sent out next Friday!

Bits and Pieces

Road Safety Competition

Thank you to all the children that entered the road safety competition. The road safety officers were overwhelmed with entries and they have had a very tricky job deciding upon a winning entry. The winners will be announced on Monday.

Diwali

The children in Oak and Acorn classes worked together to learn about the festival of Diwali last week. Together we read the story of Rama and Sita and we looked at how the festival is celebrated. The children made some beautiful lanterns and very colourful rangoli patterns. There is a display of their work in the corridor outside Oak class so please feel free to pop in and have a look.

This Week's News

Book Sale

We have been overwhelmed by the amount of books that have been kindly donated, by yourselves, to our library.

It has become apparent, now we are using the library, that we are lacking non-fiction books on particular topics. We are also running out of space for any more fiction books and now have a wonderful selection for the children in both the library and classrooms.

We would, therefore, like our Pupil Parliament to run a book sale for the remaining donated fiction books to raise funds to purchase further information books. The children will be able to buy these books at playtime on Thursday 29th November. We will be charging 50p per book, or 3 for £1.

Futsal Tournament

The U8 football tournament was a great success this week. The winning team in the tournament was not awarded to the team that scored the most goals or won the most matches, instead it was awarded to the team that showed the best sportsmanship. All the teams voted that the children at Barnby showed the best sportsmanship and they all received a medal. A huge congratulations to them!

Growing successful futures!
