Bits and Pieces

Classroom News

To help keep everyone informed Class Teachers will send home a half term newsletter, curriculum map, class timetable, and home school learning project (years Nursery to 4) in the first week back after half term. It is expected that children bring in their PE kits on a Monday and take them home on a Friday. Oak, Willow and Chestnut classes will continue to carry on with their outdoor learning so please bring in appropriate warm clothing.

Half Term

It has been a very busy and fun half term with lots of exciting activities and learning opportunities taking place. We hope everyone has a wonderful and restful half term. School reopens on Monday 29th October. Thank you for your continued support.

This Week's News

Open Classroom Afternoon

Don't forget the Open Classroom afternoon on 1st November from 2:00pm. This is a chance for you all to pop in to school to see what your children are getting up to and to share home school learning projects.

Sponsored Walk

We have raised an amazing £947.00 from the sponsored walk. Thank you very much for your generous donations. Pupil Parliament will organise for half of the money to go to Young Minds, a charity which support children's mental health. The other half will go towards decorating the school playground when the weather improves.

E-safety Workshop

The E safety workshop will take place on 30th October at 9:15am at Glebeland primary school. Please attend if you can as with so many horror stories in the news at the moment we feel it is important that you have as much information as possible to help you keep your children safe online.

Growing successful futures!
