Bits and Pieces

Road Safety Competition

The overall winner of the road safety competition was Kitty from Chestnut Class and she collected first prize of some lovely cycle lights which were kindly donated by Michael's cycles in Beccles. The Road safety officers were really impressed with her very detailed dream bike design.

School Disco

We will be holding a school disco on Friday 7th December. Oak and Acorn classes disco will start at 4:30 and end at 5:30 and Willow and Chestnut Classes discos will start at 5:45 and end at 6:45. Tickets for the discos will be £2.50 and children will be supplied with a drink and a snack. Letters for this event will be sent out on the 3rd December.

This Week's News

Healthy Lifestyles

We have been very pleased to see so many children and adults enjoying the mile run. Many children have been excited to see their running ability and fitness improve and others have expressed its positive impact. To continue with healthy lifestyles we are going to offer an indoor exercise during our mile run time for those who wish to choose something different. Activities will include yoga and aerobics. We are also going to offer the beep test at the start and finish of each half term for those children who would like to further track their fitness.

Crucial Crew

On Tuesday, Year 6 attended the annual Crucial Crew event. The event is organised by the Lowestoft Rotarians and involves many local people, some being from the emergency services.

The children took part in a series of different scenarios ranging from road safety to keeping safe online. All children enjoyed taking part and learnt a great deal about keeping safe in a different setting. Lois in year 6 said "I really enjoyed crucial crew, especially the electricity activity as I learnt a lot in a fun way. I will remember everything for future situations."

Children in Need

Thank you to everyone who brought a donation for children in need. We raised £130.54 and Noah from Oak Class won the Pudsey Teddy!

Growing successful futures!
