Bits and Pieces

Maths Workshops

Thanks you to all the parents/carers who attended the maths workshop in Willow and Chestnut classes this week. The feedback has been very positive. If you would like any more information please speak to either Mr Huxtable or Mr Vaughan.

Nasal Flu Vaccination- Year R - 5

Please make sure all nasal flu vaccination forms are returned as soon as possible even if you do not want your child to have one.

This Week's News

Languages Day

The school trip to Glebeland was a real success. The children thoroughly enjoyed the carousel of activities and it was great to see children from both schools mixing so nicely. There will be a selection of photos and art work going up on the display board outside Oak class in the next week. Please feel free to come inside the school and have a look!

PTFA

It has been lovely that there has been so much interest in getting the PTFA to reform. If you would like to be part of the PTFA this year please come along to a meeting on Thursday 4th October at 9:00. It will be a chance to discuss the PTFA moving forward.

Sponsored Walk

On Friday 5th of October each child in the school will be taking part in a sponsored walk. The money raised will be split between the school and a children's charity. Pupil Parliament has decided they would like to raise money for Young Minds, a charity which support children's mental health. They would like the money raised for the school to go towards getting the lines repainted in the playground.
